

Unit PDT04 Practise Driving and Evaluate Responses in Adverse Conditions

In partial completion of: CERTIFICATE II IN RESPONSIBLE DRIVING & WORK PREPARATION

Learner and Provisional Licence Holders!

Potentially life-saving driver training!

Current licence testing does not cover emergency situation responses.

Currently 1 in 4 new drivers are involved in road crashes in their first 12 months of driving.

Road crashes can kill people, destroy quality of life and cost money!

This training addresses life-threatening situations in a controlled environment.

Course conducted at Carrara Sports Complex, Broadbeach Nerang Road, Carrara, Gold Coast.

All inclusive low price **\$160.00** includes light refreshments-students provide lunch. Course vehicles provided.

Student numbers - minimum 18 participants

One Day Practise Driving in Adverse Conditions Course for Provisional Licence holders or Learner Drivers nearing licence standard

- Develop your driving technique, ie correct seating, steering and body bracing positions
- Correct speed and road position and cornering lines to minimise side forces acting on your vehicle
- Awareness of understeer and oversteer
- Emergency braking and crash avoidance with and without anti locking brakes in slippery or dry conditions
- Create a positive driver attitude, develop habits, knowledge and skills required of a proficient driver

Please note: Course students will be assessed on participation, oral questioning and a written assessment.

Students will be awarded a Statement of Attainment upon successful completion.

Doing this course could just be the best decision you make. Please notify your year co-ordinator at your school to enrol.
